 - a) Tracey -In Motions – Sgt. Derek Friesen, RCMP brought forth discussions regarding RCMP roles regarding road and pedestrian safety and enforcement. Further discussions continue about the issues of the Elementary parking lot entrance where people are still parking and driving around the entrance in unsafe manner. He recommended installing One Way direction signs, Stop Sign at the North entrance, paint on road way to show flow of traffic, use of pylons at South entrance and consider the Safety Patrol program to assist with directing pedestrians. We can include information in the RCMP weekly article, Courier Newspaper, flyer to hand to parents to create awareness. The SCC members agreed to plan a safety parking blitz on school parking lot to help create awareness of the issues and better practices. An invite to Rocky, Canora Courier should be arranged. Tracey will contact CAA Safety Patrol program to find out how to begin program for the Grade 5 students to potentially participate.
