CCS's Scare Away Hunger

The grade 12's had the pleasure of delivering to the local Canora Food Bank all of the donations collected during the Annual Scare Away Hunger campaign at CCS.

GOOD JOB COUGARS!

*Thank You
so much!*

Thank you to St. Joseph's Roman Catholic parish for their continued support ensuring our students stay warm and cozy!

Canora Composite School Outdoor Recess Policy

Before School: If temperature including windchill is **-30 or greater** students will come inside immediately at 8:40am in the morning.

NOTE: School doors DO NOT open and students are not supervised until 8:40am.

Inside Recess: If the temperature is -35 or more with the windchill, students will stay inside for recess.

Be Prepared for ALL weather conditions

Because weather is fluid, students should always be prepared for any weather conditions. All students should be prepared to go outside and will be expected to go for fresh air breaks during recess and lunch hour. Administration will determine the length of these breaks based on the inclement weather.

Please ensure that your students are dressed for weather conditions!!

CCS Annual Alumni Basketball Game

News from the Principal's Desk...

Wow it is hard to believe the Christmas Holidays are here already! By looking at the staff and students, everyone needs a little break to get refreshed for the New Year. Our winter activities are in full gear with the SRC leading the way with a Christmas challenge. The last week will be a whirlwind of activities culminating with our annual dinner on Wednesday, December 21st, the Alumni basketball game, and the popular SRC assembly for prizes in the afternoon. The SCC will also announce the winners of our school raffle to help fund our new kitchen which will be under construction starting in the new year. Our President, Kellyanne Ostafie and members did an incredible job of collecting prizes and donors for this raffle to maximize a profit for our new kitchen. The prizes are amazing and on behalf of CCS, I want to thank Kellyanne and all our members for your hard work, not only with the raffle but the Christmas dinner and the Christmas baskets to some of our families here at CCS.

This year's lunch is being supplied mainly by the SCC with donations from our SRC, the staff, and our students. I want to thank Crossroads Credit Union, the teachers, our support staff, and the SCC members for helping with organizing, planning, and cooking of the Christmas dinner. Also, I would like to thank the SRC as they will be putting on a spectacular event in the afternoon of the 21st that promises to be a lot of fun for the students. Until next year, I wish everyone a Merry Christmas and a Happy New Year. Reminder that school starts up again on Wednesday, January 4th in the new year.

Kim Eiteneier, Principal CCS
