Issue 7: March 2023

BEFORE School: If temperature including windchill is **-30 or greater** students will come inside immediately at 8:40 a.m. in the morning. **Note:** Doors do NOT open and students are NOT supervised until 8:40 a.m.

Inside Recess If the temperature is **-35 or more** with the windchill, students will stay inside for recess.

Be Prepared for ALL Weather Conditions Because weather is fluid, students should always be prepared for any weather conditions. All students should be prepared to go outside and will be expected to go for fresh air breaks during recess and lunch hour. Administration will determine the length of these breaks based on the inclement weather.

REGULAR CLASSES WILL RESUME ON MONDAY, APRIL 17.

Junior Boys' Basketball Team ECDAA District Champions

Back Row (L-R): Matthew Makowsky, Andrew Sliva, Pierre-Juan Rollin, Will Krotenko, Jordan Makowsky, Andrew Owchar, Linden Roebuck, **Mr. K. Eiteneier (Coach)**

Front Row (L-R): Serin Crane, Jackson Palagian, Lucas Biletski, Liam Trask, Shilo Leson, Reein Godhe

Our boys completed a near perfect season by winning the ECDAA Jr. Boys Championship in Preeceville on March 3rd and 4th.

The boys played their first game on Friday evening against Columbia and walked away with a 59-45 victory. It was a close game until the fourth quarter when we blew it open.

Game 2 on Saturday was against Sacred Heart, and once again, it was very close until the fourth quarter. The boys led the entire game but were only up by 6 points after the third quarter. The lead expanded quickly in the fourth quarter and we walked away with a 58-47 victory.

The gold medal game was against Yorkton Regional, and it was a highly contested, very close game throughout the entire game. It was a defensive battle and leads were exchanged a few times. We were down by 1 after the first quarter, up by 2 at half time, down by 3 after the third quarter and finished the game with a 30-28 victory.

Boys finished the season with a 16W and 1L record and an **East Central Gold Medal**.

Congratulation Boys!

New to CCS in March is the School Safety Patrol Program.

Delivering the program are students from Grade 5. A huge thank you to our patrollers for doing such a great job!! The program has made a huge difference in cleaning up the traffic chaos around the last school bell. It is effectively reducing the potential contact of student and vehicle.

STUDENTS AGAINST DRINKING AND DRIVING (SADD)

SADD Saskatchewan is a group of like-minded individuals committed to the prevention and elimination of impaired driving. SADD maintains a clearly defined mission and purpose: Student Leaders Dedicated to Stopping Impaired Driving.

SADD's purpose is to initiate, organize, encourage, and facilitate activities, events, and general behavior that will prevent impaired driving acts, both directly and indirectly, in the following ways:

1. Promoting options to individuals who are impaired so that they will not drive impaired.
2. Educating the public about the legal, social, health, and safety risks, associated with impaired driving.
3. Influence/initiate legislation and public policy in areas related to impaired driving.
4. Providing necessary training and education to volunteers who wish to facilitate the first three purpose.

March 6-10, 2023 was declared Provincial Impaired Driving Awareness Week in Saskatchewan.

To promote awareness, CCS SADD planned activities for each day of the week:

Monday- CCS SADD Poster Contest Kick-Off (3 age categories; Amazon cards sponsored by Leson's Funeral Home)

Tuesday-Contracts for Life distributed to students Grades 5 – 12

Wednesday-Body Line Statistics throughout the school

Thursday-Smartie Cookie Sale ("Be a SMART COOKIE, Don't Drink and Drive!")

Friday-Virtual Presentation with John Westhaver

-Poster Contest Winners Announced

Each year, SADD Saskatchewan teams up with SGI and offers a fully sponsored presentation to selected schools within the province. With over 90 SADD Chapters across the province, each chapter is responsible for applying to host the presentation. At the beginning of March, CCS SADD Advisor, Shawna Leson, received notice that CCS had been one of the 6 schools in Sas-

CCS SADD would like to thank SADD Saskatchewan and SGI for the opportunity to host the speaker, John Westhaver, and all CCS staff, students, parents and community members who continue to support SADD and the

Message From The Principal...

March has quickly come and left us. With Easter just around the corner, we continue with a variety of activities including badminton, club basketball, and our annual egg painting for our elementary students.

March also brought about our second parent interviews. Parents had a chance to discuss educational matters with their child's teachers and look ahead to what will be happening in our school in the next few months. If any parents missed a chance to discuss their child's classes with the teacher, they may call the school at any time or message our teachers through the EDSBY portal. All of our report cards are now generated for online delivery. Parents of all grades can see the report card on EDSBY as well communicate with the teacher and for parents with children in grade 7-12, you can also view your child's gradebook for all marks received. Once again, if you have any concerns or problems with EDSBY, please contact the office and we can try to help you out with the process.

Our kitchen renovation has yet to start, but we have purchased some appliances and are starting to make some strides to furnish our kitchen. The most recent budget for education will not help much, but we are positive we have enough money to get started and a good team with our SCC to assist us in making it happen. It will take some time and plenty of money to get it up and operational within the next couple of years. We are hoping to make some small strides by this spring to try and incorporate the garden piece of the project and integrate some of our instruction outside. The garden project will allow students, staff, and the community to work as a whole to implement, maintain, and sustain it for the future. Thank you for your support so far this year.

Just a reminder that team badminton is in full swing with both the senior and junior teams playing in tournaments already. Both the junior and senior teams will have playoffs starting when we return from our Easter holidays.

From all of us here at CCS, we wish you a Happy Easter holiday!
