Missing: Klowie Holmgren—Intermediate B & W Poster 2nd

## Bus Safety... A Shared Responsibility!

### RED FLASHING LIGHTS:

#### MUST STOP FROM EITHER DIRECTION

Neglecting to stop when the bus extends its arm may result in a fine.

**We urge motorists to assist us in keeping our students safe!**

The greatest risk to the safety of children who are loading and unloading are motorists who fail to stop when travelling towards the bus from either direction.

# Basketball

**L-R Back Row: Jordan Makowsky, Linden Roebuck, Briel Beblow, Matthew Makowsky, Michael Owchar, Joshua Rock, Hudson Bailey (coach)  
Kneeling: Serin Crane, Jackson Palagian, Liam Trask, Andrew Sliva**

**Congratulations to the senior boys basketball team on their first place finish in Norquay on January 5th & 6th. The boys defeated Stoughton 81-65, Legacy Christian Academy 62-59 in overtime, Esterhazy 81-64, and Preeceville in the final 54-37.**

**On January 17th they hosted KCI and won 72-61. They travelled to Fort Qu'Appelle on January 19-20 and lost their first game to Oxbow and then defeated Cupar and Laval(Regina) on Saturday to win the B side.**

**The boys will also play a home and home vs. Sacred Heart. They will host on February 13th and then go to Yorkton on March 6th. There is a plan for Canora to host playoffs for the top 3 in our Northern league at the end of February.**

**The junior boys travelled to Sturgis on January 9th and defeated Sturgis by 2 points. They were to go to Hudson Bay for a tournament on the 12th & 13th but it was postponed due to cold weather. It is to be rescheduled for February.**

**Way to go Cougars!!**

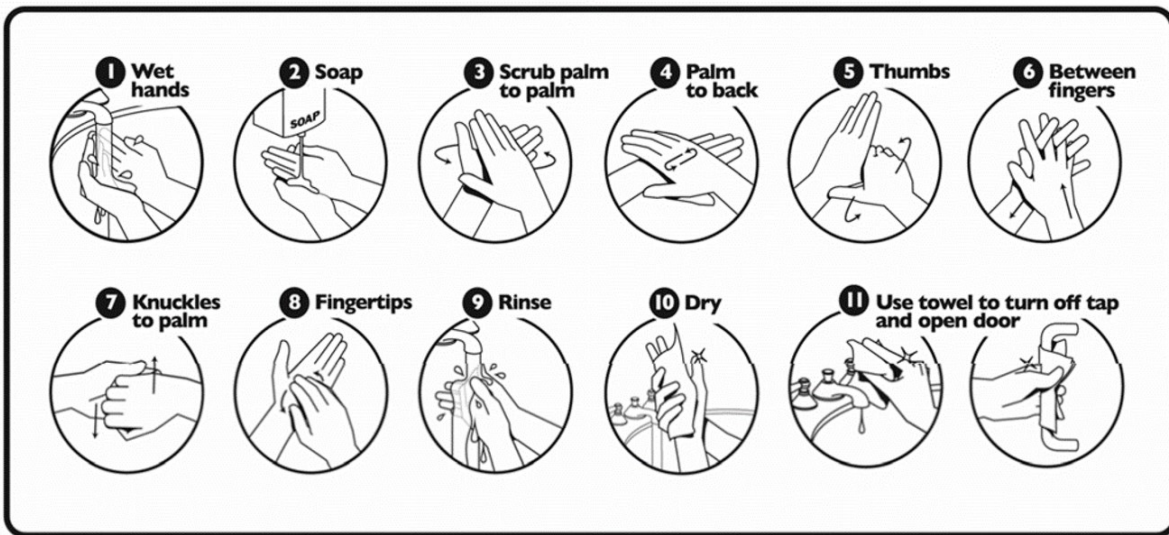

Did you know?

- 80% of infectious diseases are spread through contaminated surfaces and hands.
- Handwashing is the most important thing you can do to prevent illness and the spread of germs at home and at school.
- Improved hand washing can reduce student sick days from respiratory illness like colds and flu by as much as 21%, and sick days from stomach illness by as much as 31%.<sup>1</sup>

Use soap, scrub for at least 15 seconds, rinse and dry hands well. These steps all work together to remove germs.

Wash hands several times per day, especially:

- After using the washroom
- After blowing your nose, coughing or sneezing into your hands
- After using shared objects such as keyboards and telephones
- After handling the garbage and other waste
- Before and after preparing or eating food
- Before and after helping people who are sick
- Before and after attending to cuts, scrapes burns or other breaks in the skin
- After contact with bodily fluids such as blood, sputum, vomit, urine or feces
- When hands are visibly dirty

# Pink Shirt Day

February 28th, 2024

When a Shirt is More than a Shirt

Wear pink to support kindness and empathy

*Use the hashtag #Pinkshirtday  
and tag @GSSD\_204 with all your  
school activities!*
