Important Items to note:

1. The Ministry of Education is moving to a system called “mycreds” for student transcript orders. Mycreds will allow students to access their transcripts immediately upon login, order transcripts and forward transcripts to post-secondary schools, employers and government all over the world.

CCS Grade 10-12 students will be/have been asked for their personal email address in order for the Ministry to establish their accounts. Email addresses that end in gssd.ca or gssdschools.ca are not recommended for this service as students will not be able to access these email addresses upon graduating/transferring out of CCS.

Email addresses are uploaded at the CCS Office via My School Sask (MSS) directly to the Ministry.

2. On September 10, we reissued Edsby parents account invitations to those households who have not yet activated a Parent Edsby Account. It is our goal to have at least one person in each household with an active account.
3. Donations from Crossroads Credit Union and Stoney Creek AG (Dean Serdachny) were received for our breakfast cart and nutrition purchases. These donations will go a long way in ensuring that students continue to have access to nutritious food if they are hungry
4. Liam Trask and Ty Sleeva attended golf provincials in Goodsoil, SK on September 27 & 28.
5. Robert Severight presented to students on September 27 in the afternoon. Discussed Residential Schools and the lasting impact of colonialism on Indigenous Peoples in Canada. Our ICW has been active in the classrooms, beading with the high school and elementary students.
6. CCS Canteen served our first hot lunch on October 4, which was grilled cheese and a drink for \$5 which was very successful. Another grilled cheese sale was held on October 11. Warm Cookie Sales on Fridays continues to be an overwhelming success each week. Beetniks were offered within the school community and to the public and sold out completely.
7. The CCS garden was less than great this year. Will look at more fertilizer for next year and planting earlier.
8. SCC student representatives- Kayden Harder, Delilah Wilson, Meekah Unick. Delilah was in attendance for October’s meeting.

9. Student Led Conferences- What do parents want this to look like? How do we engage more people? We will be looking at one night and including a hot dog supper.
