World Trade Skills

Competition Regina May 30

The Skills Canada National Competition 2025, in Regina

There are many competitors from each province and territory, and each sector.

The goal of the competition is to encourage students and apprentices to excel in their chosen skilled trade or technology, and to create awareness of the many incredible career opportunities that are available to youth.

SCNC Regina 2025 includes more than 500 competitors from across Canada who will participate in more than 40 skilled trade and technology competitions.

About Skills/Compétences Canada

Skills/Compétences Canada was founded in 1989 as a national, not-for-profit organization that works with employers, educators, labour groups and governments to promote skilled trade and technology careers among Canadian youth. For information on Skills Canada's programs and SCNC, visit: www.skillscompetencescanada.com.

Are you ready to discover what it takes to be a real-life super-hero?

Join us for an unforgettable day where you can EXPLORE state-of-the-art fire training grounds, EXPERIENCE live demonstrations, and MEET expert instructors who train the next generation of first responders.

Get an inside look at the fast-paced and life-saving work of firefighters, paramedics, and other emergency professionals. See firsthand the skills, courage, and dedication it takes to protect and serve our communities.

You'll also hear powerful stories from those whose lives have been changed - and even saved - by first responders. This is an opportunity for students to meet the first responders who are the real-life super-heroes.

Missing and murdered Indigenous women and girls is an epidemic currently facing Native American, Alaska Native and First Nations peoples. Indigenous women are **6 TIMES MORE LIKELY** to be murdered than non-indigenous women and more than twice as likely to experience violence than any other demographic.

May 5th- National Day of Awareness for missing and murdered indigenous women and girls, On this day we honor the mothers, daughters and sisters who have gone missing or have been murdered. **MMIWG2S+**

Acknowledgement of GSSD Service Commitments

CARING & FRIENDLY - EXCEEDING EXPECTATIONS - EXPRESSING EMPATHY - SINGLE POINT OF CONTACT - THE POWER OF "YES" - TAKING TIME TO LISTEN

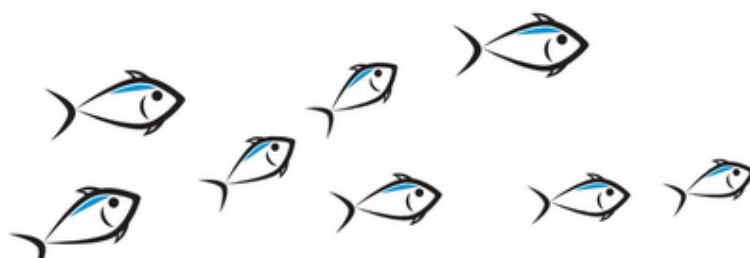

Jennifer Bisschop's dedication to her students and colleagues, passion for sustainable education, and commitment to inclusivity have profoundly impacted the Canora Composite School community. Her leadership was key in the school receiving the RCESK Education for Sustainable Development Recognition Award and the "Lyle Benko Future Generation Award," bringing pride and recognition to our school.

Jennifer also introduced the Fish in Schools (FinS) program, setting up a fish tank in the library with support from the Buchanan Wildlife Federation and Canora Fish and Game. This project has enriched students' learning experiences and connected them with nature.

Known as a "safe place" for students, Jennifer is always available to listen and support those in need. Her warmth and approachability make her a reliable figure for comfort and guidance. She fosters inclusivity by creating bulletin boards that celebrate diverse cultures, ensuring every student feels valued and respected.

Jennifer's efforts to support staff unity through team bonding activities have strengthened our school community. Her dedication to sustainability, inclusivity, and community support has created an environment where students thrive academically, socially, and emotionally!
